Welcome

Dear Giro Del Cielo Competitor:

Skylands Cycling and Team Somerset are pleased to welcome you to the eighth annual Giro Del Cielo Stage Race. The Giro presents separate races for category 4 and category 1/2/3 women. This year, we are once again pleased to offer separate men's category 4/5, men's category 3 and men's 45+ stage events.

Skylands Cycling and Team Somerset are committed to the development of women's racing. In addition to holding the Giro Del Cielo, which will showcase the talents of some of the best women in New Jersey and Eastern United States, our clubs are actively recruiting women to race.

Our club members and officers will be present at registration and at all races. If there is anything we can do to help make your experience at our event more enjoyable, please let us know. If we can be of assistance to you personally in any way, please do not hesitate to contact us by phone or by email. We sincerely hope you enjoy your weekend in Sussex County.

In the event that strict enforcement of any rule would be inconsistent with these goals, the chief referee may in his or her discretion enforce these rules in a manner consistent with the goals and objectives of this event.

In the event that two or more riders are listed in the official results with the same time (or place), both riders will be given the point value of the highest place, and no rider will be given the point value of the lower place(s). For example, if two riders tie for third in a race, each of the riders will be given the points for third place, and no rider will be given points for fourth place.

While the stage race is in progress, all riders with the same total points will be given the same place in the standings. At the end of the stage race, if two (or more) riders are tied for any place, ties are broken by totaling the number of 1st place finishes, then 2nd place finishes, then 3rd place finishes, etc., until a clear winner is established.
